

Child Care Counsellor Required

Camp Trapping is unique. For 37 years, this non profit wilderness based programme for male young offenders has been making a difference in the lives of at risk youth.

Camp requires dynamic, outdoor oriented, child care counsellors for this wilderness based residential attendance programme in Prince George.

Applicants should have experience working with, at risk youth, with an emphasis on young offenders; possess skills in group leadership and credentials in outdoor pursuits.

Working one week on, one week off in a camp setting, the successful candidate will utilize their empathetic, firm and fair approach to establish quality relationships with 14 male offenders.

Candidates should be in excellent, physical condition and interested in 'Leadership by Example' and positive group experience as a means to build relationships and character development.

Attractive shift schedule, competitive wages with an excellent benefit package. Apply by resume` to:
